The JAM 2022 results (merit lists) were declared on [March 17, 2022](#). Please visit the JAM 2022 website <https://jam.iitr.ac.in> for downloading the Scorecard. An All India Rank (AIR) has been assigned to all the candidates in the merit list, based on their performance in the specific Test Paper. The number of candidates included in the Merit List depends on the total number of seats available in different academic programmes for a given Test Paper. These candidates are eligible to apply for admission to any of the corresponding academic programmes available at IITs (see [Annexure I](#)) The number of category-wise (OBC-NCL, EWS, SC, ST and PwD) candidates included in the All India Merit List will be based on the category declared by the candidates in their JAM 2022 application. There are NO separate category-wise merit lists or All India Ranks.

JAM 2022 Scorecards can be downloaded from the JAM 2022 website by the Candidates in the merit list. The Scorecard contains the details of the All India Rank and marks of the candidate, along with the category-wise cut-offs.

**Tie-Breaking:** The tie-breaking criterion for awarding the ranks to candidates scoring the same aggregate marks in a test paper is as follows:

The candidate with higher marks in NAT (Numerical Answer Type) questions is given a better rank. If this criterion fails to break ties, candidate with higher marks in MSQ (Multiple Select Questions) is given a better rank. If both these criteria fail, older candidate is given a better rank.
